

REMARKS

In the Notice to File Missing Parts, the applicants were given two months from the mailing date to file an oath or declaration signed by the inventors and to comply with the sequence listing rules. In response, the original copy of the Declaration signed by the inventors is enclosed. A paper copy and a computer readable form of the sequence listing are also enclosed. Further enclosed is a statement under 37 CFR 1.821(f) and (g).

The amendments made herewith are for identifying the amino acid sequences in the specification and drawings with sequence identification numbers.

Applicants have enclosed a Fee Transmittal sheet indicating that the small entity fee of \$65.00 should be paid from Deposit Account 17-0055.

Respectfully submitted,

Joseph F. Poduslo, et al.
